Principal's Update– Todd Corsetti

- Todd reported that it's been a good start to a weird year. Kids are engaging. Technical issues are getting resolved. Zoom bombing has decreased substantially/disappeared. Focusing on keeping morale up.
- CDL extended through the end of the first semester. Still hoping to move to hybrid in the second semester. Todd will reach out to Becky Tymchuck for a Q and A about return to school plans.
- Virtual Back to School Night (Meet the Mavs) coming up on 10/8 and MPACT video message will be included. A video will be released for parents to view at their convenience. Might do a second Meet the Mavs in Spring semester.
- Spirit Week and sock drive as well as virtual clubs are kicking off to keep spirit up.
- Pre-ACT scores will be distributed once MHS receives the results.
- IB Testing information will be in the October Mav Express which comes out 10/1.
- Todd reported that in past years, at SHS, classes were on a trimester format and the students seemed to retain information even after almost a year since being in that subject. Teachers do a good job reviewing previous concepts. This is especially true in foreign language classes.

New Business

- Erik Reinholt introduced Rylee Poindexter, ASB President and Jordan Bayon, ASB Secretary so that thoughts and suggestions could be shared with the Student Council. 84 students are enrolled in Leadership 2. They do most of the events, drives and service projects. From MPACT money, Freshman and Seniors were provided free t-shirts.
- Grad Night Committee needs to be organized for the Class of 2021. Rebecca asked how to get input from Seniors. Erik mentioned a google form could be distributed to Seniors for input. Communication will also be sent to parents about joining the planning committee. Graduation is scheduled for June 13th at this moment.

President's Report - Jennifer Burghardt

- Nothing to report

Vice President's Report - Dani Cohen

- Nothing to report.
